VCKC Prayer request message sent to Vineyard Church pastors and prayer team.

Hello:

I had hope and prayed to receive contact or an invitation to services or for coffee with Greg.

Please do not judge me nor believe others if you do not know me. Many lies are spoken about me. At this point my son is pictured on the Vineyard facebook, yet I do not get pictures, phone contact, or text messages from my son, and Pastor Greg can not see parental alienation child abuse. I will stop the prayer requests communications and publish any communications on an internet subdomain.

Some persons may only tell the truth if they believe it is to their advantage.
