Hello Pastor Greg Hartmann, Vineyard pastors, and prayer team:

Please pray for my son in the worship band. Pray you find the truth about his abuse and forced false police reporting from child coaching. The pathological lying should be obvious to anyone. Pray for the truth to be revealed to everyone that could help my son to have a relationship with me his father. Pray everyone stops believing the lies that hurt my son and other children. No one in the Vineyard is my son's father. No one.

Pray for us to all seek to stop child abuse of all forms, especially parental alienation family violence against my son. I have one goal and that is to be a good father for my son. Pray we all can work together and stop child abuse. One would not be happy with VCKC hurting my son. Bribing my son with money, gifts, music equipment, and the sin of pride is nothing more than grooming a minor for continued child abuse. If VC will allow child abuse to even one child, then much more child abuse is occurring in the Vineyard North.

This is now the 3rd Christmas and over 850 days my son is abused with alienation and fear if he does not do whatever his mother tells him. This sin is costing everyone way too much in effort, time, and reputations. Pray my son is reunified with me for this Christmas and holiday. Pray that the State of Kansas does not need to take my son to foster care to resolve the abuse, violation of court orders, and previous false police reporting. Pray that prosecution for false police reporting does not happen, and is not necessary to restore his and my legal rights. Pray we can resolve and stop child abuse. This message will be published so my son knows I am praying for him.

Thank you for your prayers and actions to help.

Have an amazing week and holiday.
