Volunteers should not be incompetently doing the responsibility of the State of Kansas for children welfare. STOP THE INCREASE OF FUNDING CASA. Make CASA actions visible and accountable to Kansas voters. CASA has violated statues and the parent's complaints to Kansas internal CASA Board of Directors and National CASA Board are worthless and ignored. The state of Kansas only accepts CASA complaints for protected class persons with civil rights violations.
- 15.** Kansas innocents Project. Organization to investigate and review cases of persons incarcerated and probable innocents. Too many innocent persons are incarcerated UNJUSTLY in Kansas. SEEK JUSTICE with action for "railroaded" innocent Kansas prisoners.

Kansas FairCourts Legislation for Children and Families

4. Establish by modification of statutes to include legal age of 16 for Kansas minor child allowed to petition court to choose to live with their selected parent or guardian.

- Judges and family courts DO NOT make decisions in the "Best interest of the child" nor do judges "simply want to do what is right by the child".
- At LEAST give an abused child hope of changing residential custody TO STOP CHILD ABUSE at a written legal age of 16, because the attorneys, DCF, CASA, and family court judges don't help some abused children.
- This statute change would decrease run away Kansas children.
- Abused children will have hope in changing their abusive residential care at the age of 16 instead of running away from the abusive environments.

- STOP FALSE PROTECTION ORDERS by pathological liars.
- CREATE AND IMPLEMENT legal deterrents to the abusive litigious use of protection orders that are created by LYING. The false police reporting MUST BE IDENTIFIED and STOPPED.
- The Kansas Coalition Against Sexual and Domestic Violence (KCSDV) needs to prevent attorneys from allowing family and child harming protection orders vindictively and viscerally filed to stop father's access to their children.
- The police, KCSDV, attorneys, and judges will likely believe every insanity of the misandristic false reporting. (Seriously, read some of the police reports and watch the police BWC.)
- Other states legally require legal investigations of false reporting.
- STOP CHILD COACHED LYING AT SUNFLOWER HOUSE, CASA, DCF, and POLICE REPORTING THAT IS CHILD ABUSE. Prosecute child coaching and false police reporting.

- Two of every five children are with only one parent, many caused by parental alienation.

Kansas FairCourts Legislation for Children and Families

- SUNFLOWER HOUSE FAILED A FORENSICS CHILD INTRVIEW AND ADMITTED IT AND DID NOTHING TO HELP THE ABUSED CHILD.
- CASA cannot replace the DCF. Defund Kansas CASA and have trained law enforcement perform forensics interviews.
- DCF IS TRAINED AND SHOULD BE FUNDED - NOT Kansas CASA. Untrained incompetent volunteers of CASA cannot make court decisions for the Kansas family judges. CASA HURTS Kansas children.
- Previous Sunflower House of Kansas Det. Scott Bassett and Det. Barbara Walk FAILED A CHILD FORENSICS INTERVIEW. They acknowledged the failed child interview on a recorded phone line, and refused to fix their incompetence to STOP the child abuse they allowed from parental child coaching.
- THERE CAN NEVER BE A FAILED CHILD FORENSICS INTERVIEW - NEVER! KANSAS CASA SUNFLOWER HOUSE IS INCOMPENTENT or possible corruption.

- Mandate accountability and liability of CASA volunteers actions with complaints filed to State of Kansas.

Kansas FairCourts Legislation for Children and Families

14. CASA is incompetent to do the attorneys, courts, and judge's jobs. CASA is allowed physical access to children and court records WITHOUT visibility and accountability to anyone.

- DCF IS TRAINED AND SHOULD BE FUNDED - NOT CASA. Re-organize the DCF to do the state's responsibility for children and families.
- Untrained incompetent volunteers of CASA cannot make court decisions for the Kansas family judges. CASA HURTS Kansas children with incompetence. CASA IS ANYONE THAT VOLUNTEERS AND ARE NOT TRAINED PROFESSIONALS.
- Previous Sunflower House of Kansas Det. Scott Bassett and Det. Barbara Walk FAILED A CHILD FORENSICS

15. Kansas innocents Project. Organization to investigate and review cases of persons incarcerated and probable innocents. Too many innocent persons are incarcerated UNJUSTLY in Kansas. SEEK JUSTICE with actions to help "railroaded" innocent Kansas prisoners.

- The justice system is broken. The innocent accused Kansas citizen is fearful of corruption and guilty verdict before any trial even starts.
- Prosecutors may want all defendants incarcerated innocent or not. Prosecutors lock up all defendants because the prosecutor already decided one is guilty. The trials are just a inconvenience to the prosecutors who believe they are the accuser, judge, and executioner. Prosecutors want 100% conviction whether defendant is guilty or innocent.
- Many innocent Kansas citizens are incarcerated.

16. Police corruption investigated and COMMUNICATED that Kansas law enforcement corruption will be reduced. Corruption is REAL - VOTERS KNOW THIS. *Address the problem by the Governor and Attorney General.*

- Defined violations of one's Oath of Office to the State would reflect the severity and seriousness of any criminal, unethical, and unprofessionalism below the expectations of the Kansas citizens.
- Employment with the State and any resulting in violation of an Oath of Office one has taken is punished with a severity to discourage any State employment and temptation of violation of one's oath and statues.
